

Subject: Save the Date: European Forum of Insurance against Accidents at Work and Occupational Diseases in Zagreb, 4 - 6 June 2024

Dear all,

We are delighted to announce the upcoming European Forum of Insurance against Accidents at Work and Occupational Diseases in the vibrant city of Zagreb, Croatia.

Please mark your calendars and save the dates from the 4 to 6 June 2024 as we gather professionals, experts and thought leaders from across Europe to discuss the ever-evolving field of insurance in the digital age.

Under the slogan 'Be fit for the digital age!', next year's event will provide a platform for innovative discussions, insightful presentations, and collaborative networking opportunities. We aim to explore the challenges and opportunities brought about by digital transformation as we navigate the dynamic landscape of insurance against accidents at work and occupational diseases.

To give you a glimpse of the upcoming European Forum, we are pleased to share with you our announcement video. Watch it [here](#).

We will share more details in the forthcoming months, including the official registration process, the complete list of speakers, and the detailed event agenda.

Please save the dates from 4 to 6 June 2024, and join us in Zagreb, Croatia, for this transformative event, taking place at the [National and University Library](#). Together, we will embrace the digital age and shape the future of insurance against accidents at work and occupational diseases.

We look forward to welcoming you to the European Forum in Zagreb 2024!

Best regards,

European Forum Zagreb - Organising Team
