Conference of the European Forum of the Insurance against Accident at Work and Occupational Diseases 2025

The Luxembourgish Accident Insurance Association (AAA) is pleased to announce the upcoming conference of the European Forum of the Insurance against Accidents at Work and Occupational Diseases, scheduled to be held in Luxembourg City from June 18 to 20, 2025.

The event will begin on Wednesday, June 18, with working group meetings at our facilities at the Cité de la sécurité sociale. In addition to the established working groups on Legislation, Occupational Diseases, Communication, and Digitalisation, a new working group on Prevention will convene for the first time.

The conference will take place on Thursday, June 19, at the Chamber of Commerce Luxembourg. The conference will focus on the theme "Accident Prevention and Insurance in Evolving Work Environments" and cover key topics such as:

- › Shifts in workforce demographics
- › Artificial intelligence and automation
- › Remote and hybrid work models
- › Mental health and well-being

The event concludes on Friday, June 20, with the Plenary Assembly, hosted at the Cité de la sécurité sociale.

We kindly ask you to reserve these dates in your calendar. Additional information, including the detailed agenda and registration process, will be provided on the European Forum website in due course.

We look forward to welcoming you in the beautiful city of Luxembourg.

Best regards,
